### Black, Blind, and In Charge

*Gov. David Paterson—Simon & Schuster / SkyHorse*

The former governor of New York published through a major house. The title was crafted to suit the governor's experience as the first legally blind state governor in U.S. history. [Amazon.governordavidpaterson.com](http://Amazon.governordavidpaterson.com)

### Liberty

*Liberty DeVitto—Billy Joel's drummer of 30 years*

Published with Hudson Music. We reunited Billy and Liberty after a decade-long dispute—Billy wrote the foreword. Companion children's book *Love, Santa Claus* followed. [Amazon.libertydevitto.com](http://Amazon.libertydevitto.com) · [Love, Santa Claus](#)

### Data-Driven Decisions

*Wiley Publishers—50,000 words, house guidelines*

Systems engineering applied to investment banking—calculating non-traditional valuations on companies. Produced to Wiley's specifications for word count, font, layout, and design. [Amazon](#)

### More Human Than Human

*What AI reveals about us*

A wide-ranging exploration of what artificial intelligence is teaching us about ourselves.

- **Original work**—*Nine Fine Deaths* (murder mystery, all 5-star reviews); *Land* (screenplay adaptation of a novel); and dozens of children's books recently licensed to **McGraw-Hill Education**—[Sir Rhymesalot Series](#).

## HOW DR. MILLS WORKS

### PUBLISHING

**E&R Publishing** handles authors without an existing publisher. Distribution to **50,000+ outlets** worldwide via Ingram. For authors with a house, Dr. Mills works inside the publisher's specs (Wiley, Simon & Schuster / Skyhorse, Hudson Music, Random House, etc.).

### AUDIOBOOKS & ASSETS

Every title is produced in audio. MillsiCo can **clone the author's voice** and produce the entire audiobook without sending the author into a studio. Companion websites with hi-res photo galleries linked from the printed book via QR codes to interactive digital platforms, all is handled in-house.
